Dear Fellow-Laborers,

Greetings in the name of our Lord and Saviour Jesus Christ. Brother Cayetano, pastor in El Salvador called and said the Pastors Conference in his church went real well and was well attended. He also said that all the works in El Salvador were going well and souls are being saved; and they are starting new works in places where the gospel is needed to be preached. All the works in Quintana Roo and Chiapas, Mexico are still going strong and the Lord is blessing with souls being saved there. We are thankful for all the pastors and the faithful service in the Lord's work.

Please continue to pray for us as we still have some health problems. We appreciate so very much your faithful support and prayers for each of the works, and may the Lord bless you in a special way is our prayer.

Night Cometh
