Our dear brethren and supporters:

It is with great joy and appreciation to greet each and every one of you once again. It has been a blessing for over thirty years to share with you via our newsletter. We look forward to sitting down and sharing with such faithful and wonderful folks like you who support our ministry year after year by your prayers and finances. Only eternity will reveal how much difference this has made in preaching and sharing the wonderful message of salvation in the Gospel of our Lord Jesus Christ, just through the ministry that God has privileged us with. We thank you and we love you dearly for it. We know that there are already some in heaven and will be there who echo the same exact words. Thank you for giving to the Lord so that years ago I could hear the Gospel and receive salvation as a result of faithful givers to missions.

As the summer begins to wind down here in this valley, we see the potato fields, the grain fields and some other crops coming to the time of harvest. We are reminded in the Bible, of the fields of sin and lost people that have been ready to harvest and yet remain unharvested. We must ask our Lord for Grace, strength and the abilities that are needed to accomplish this task before it is eternally too late. It is very easy to get distracted, discouraged and delayed to do what must be done. So we must ask the Lord of the harvest to please help us.

We recently have had some folks saved in our services and need to be baptized. Unfortunately as it is so many times, they have to work Sundays and even Wednesday nights. Please pray that the Lord will intervene in this matter. We were blessed in June to have the Wild Peach Baptist church from Brazoria, Texas, visit the work here. These were such a blessing and God used them in a very special way to minister both to our ministry and the San Luis Valley Baptist church. Pastor Brewer's messages were a tremendous blessing and encouragement.

We love you all and we are praying for each and every one of your ministries that the Lord will continue to enable you and anoint you to keep doing the great job each one of you are doing. Thank you for praying for us and helping us financially. It's what makes the difference in us remaining faithful and the eternity of souls here in this valley.

Because of Him,

Sal and Pat Garcia
