Dear Brethren,

November 2011

May this letter find you well and serving the LORD.

Bev has been one sick Lady since August. She has hyperthyroidism. She got so bad she couldn't even cook breakfast or put the laundry in the washer. We were on the list to see the endocrinologist in the state and saw her this month. I finally heard what I wanted to hear. They have given Bev a radioiodine pill to kill the thyroid and hopefully stop this renegade from harming my wife. She has been close to a thyroid storm meaning cardiac problems. The doc said she will start feeling better in 6 weeks. She will be doing blood tests every two weeks to determine the results of the pill. Hopefully she won't have to take another. Bev came thru her cancer checkup fine. Please Pray for Bev !!!

We went out to see LOGAN and MICHELLE TETOFF. We had a great ministry with them. Logan was called by one of his kin folk named Adolf Paul. Adolf asked Logan if he would help him with his heater. We spent the better part of the day working on the heater. That evening we invited Adolf to come to our Bible study; he did. Two hours later we were rejoicing with him as he trusted CHRIST as his Savior !!!!!!! God is GOOOOOOOOD !!!!

We came back and on November 13-16 we had a revival meeting with Bro. Scott Fitzhugh and his wife Regina from Rodgers Baptist Church. It was a tremendous meeting with tremendous preaching from Bro. Scott and piano from Sister Regina.

We gave them the tour!! God gave them a look at cold weather. It was like 10° when they arrived; they were used to 106°. God took the weather down to record breaking temps at 40° below and we all got out in it, real good, hahaha.

We also showed a DVD of the baptisms we did in Bethel; the water was extremely cold !!! Take your breath away, but our hearts were warmed to baptize Bro. Logan and Sister Michelle.

We are planning to build a building on the land in the spring. Bro. Brian and Daisy with family are planning to go on deputation this coming year; they are worthy of your support. We are planning to organize this work into a church sometime in the fall !!! Pray for us !!

Seth and Heather are a tremendous blessing in this church and to Bev and me. Praise the LORD for children that love the LORD.
