## News Letter # 69 (May & June, 2010) July 3, 2010

Dear Pastor & Church,

Greetings in our Lord's all sufficient grace.

Some times we reached a stage in our ministry and had a feeling as if our life had ended and everything was over, and we couldn't do any more with a depressed spirit & body! Suddenly things were changed and doors were opened to the Gospel. So we can say: **"Bless the Lord, O my soul: and all that is within me, bless His holy name. ... Who redeemeth thy life from destruction; who crowneth thee with lovingkindness and tender mercies; Who satisfieth thy mouth with good things; so that thy youth is renewed like the eagle's. (Ps103: 1-5).** Thank God that the situation in Lebanon for the time being is stable and the doors of the ministry are still opened, but we have to be very careful and cautious in our communications and especially the outreach ministry at the streets... Our Lord and Savior Jesus Christ, from time to time, cleansed our church in Lebanon to maintain a strong base build up on sound doctrine.

### **Activities**

Our ministry in the mountains, among the people whose religion is called "DROUZ", as we have told you in our previous letter, is still going on and growing up with very good results by the grace of our Lord and Savior Jesus Christ. Knocking doors or distributing tracks and Bibles in that specific area is dangerous and fruitless, and not only that but we might be kicked out or be forced to leave ... etc. So then we had a very good and better approach by working with individuals privately and quietly. This manner of outreach was very effective and bear a lot of fruits for eternity. The key for this successful ministry was through a young married couple from the same religion who became members in our church and they live in that town. So this saved brother loves the Lord and cares a lot of spreading the good news to those people. He reached many of those people individually in that city in a wisely way and he was accepted to them because he had the same background. As it is very difficult for the moment to hold meetings in that area I used the Van of the church and went on regular basis to that area and picked them up brought them to the church, teach them, and disciple them, and brought them back to their town. What a blessing of this new door that the Lord had opened before us to praise and glorify His Wonderful Name. .

The ministry in Tyre (south of Lebanon) is still going on with great activities and expectations, distributing a lot of Bibles and tracks on many streets and villages.

### **Prayer Request**

- Please keep praying for the ministry in Tyre in the South of Lebanon.
- Please pray for our New Ministry among the "DROUZ"
- Please pray for the abused family that we mentioned in our previous letter
- Please pray for us for health, wisdom, guidance and protection.

Thank you very much for your support, prayers, concern, and love,

*Abdou & Siham Issa.*
