Serving the Lord in Trinidad

Greetings from Trinidad

Hello Pastor and Church Family,

Much has happened since our last prayer letter but we hope all is going well with your church. I keep up (as best I can) with much of the news and happenings in the states and all I can say is I really do believe Jesus is coming soon.

Our Fundamental Independent Baptist Junior Camp for 2011 went very well. Please know that we are grateful and want to say thank you to all who pray and support us in this effort. The camp was well attended and two of our young campers were saved. Junior camp is such a blessing every year as we see preachers, church folk and teens from our independent Baptist churches come together to help point the next generation to God. Every year our attendance has grown. Please pray for us as we hope to see even more participation next year.

Our church is currently in a renting situation but we decided to go ahead and build a baptistry on the property. It only took about a week to complete and so far we have baptized five more believers.

Evangelist Bob Walker was with us the last week of September for our annual King James Bible Conference. The preaching was great and our people were truly edified. The meetings are so important as they help our folks to understand the importance of not only having a "Bible" but also knowing that we have God's perfect and infallible word. We need this type of emphasis in this part of the Lord's vineyard! One young girl named Andrea was saved in the course of the meetings.

I will ask folks to pray for a young mother of five that is having a difficult time. She has been saved and wants to be baptized. Her Hindu family has turned on her since she has expressed that desire. I'm praying for God's wisdom to be able to help her. One last thing, I would like to ask God's people to pray for us as we re-build our youth department and church ensemble.

Thank you for your continued prayers and financial support in this ministry. May God bless you.

Bro. & Sis. Jackson
