July 2010

Psalm 119:72 The law of thy mouth is better unto me than thousands of gold and silver.

Dear Pastor and church members,

Karachi was going to be hit by a cyclone, however the direction of the storm changed. We call that the Grace of God. At least 15 people were killed, mostly by electrocution, and dozens injured and thousands left homeless. However if the storm would have hit Karachi there would have been a lot more damage.

Two of the young people of Defence Baptist Church were invited by a family to start teaching Bible to a group of children and young people in their home every Saturday. This area of Karachi is called Manzoor Colony and there is no Baptist church in that area. This area has about 1 million people. Pray for this new location, that God would give us wisdom and direction as what steps to take to further the gospel in different parts of Karachi which has a population of over 16 million people.

Vacation Bible School gave us another opportunity to share the gospel with a lot of first time visitors and children. First day the attendance was 151, second day 160, third day 176, fourth day 172, and on the last day 199. We are hoping and praying that the seed of the gospel that was planted will bring forth fruit. We are also praying this will allow us to get into these areas that we have been unable to get into before. The anglican and catholic churches truly have the people in darkness and wrapped in traditions.

We are very thankful for all your prayers and financial support. May God continue to bless you.

Sincerely,

The Jacob Family
