~ Your Missionaries To Old Mexico ~

July 15, 2010

Dear Family, Pastors, and Friends,

July 1 brought tremendous damage in flooding from Hurricane Alex to Pastor Raul's house, the church, and the school. The water level was five feet in the inside of all the buildings. It left behind a sticky, smelly deposit of mud that penetrated all areas. Pastor Raul lost his car and his van. Brother Lozano lost his car. Two members of the church lost everything as their houses were only one level. The school has lost 80% of all their materials. The equipment from the recording studio is gone except for the computer. We lost the lapel microphones as well. It has been a hard two weeks of scooping and cleaning especially since we started working with buckets of water. We were without water for 10 days and even now it is limited to only the early morning hours. We do covet your prayers as we make some decisions as to the future direction of the school. In the photo, the church is on the right. The school is on the left with the church van pushed into the wall. The van is running but has some transmission problems from the mud and water.

We have canceled the camp for this summer due to the damage and expense of the hurricane. We have moved our VBS in Guadalupe to August 16-20. The church in Guadalupe has a good group of youth. Alejandro wants to prepare in an institute to be a missionary. Orbey and Veronica have begun courting. Orbey feels called to be a pastor. There were eight who followed in baptism in the river the week before the hurricane.

The church in Garcia had four inches of mud and water in the building. The church has a good group of children. Do pray for the preparations for VBS. Pastor Jorge and Gloria really do struggle financially.

Pastor Raul, Dixie, and myself will be going to Clyde, Ohio to evangelize in the migratory camps. It will be in correlation with their VBS to bring the children in and encourage the parents to attend the special services. The trip will be the first week in August.

We do appreciate your prayers and financial support.

In Christ,

Doyle + Dixie
