

8-2-2010

Dear Pastor and Church,

Greetings in our Lord Jesus Christ, and from Whom all blessings flow. In the midst of these hot temperatures and high humidity the Lord continues to bless here at the church.

We recently held our first home going service for one of God's choicest servants, Mrs. Darlene Fourkiller, yet on the same week we had three saved and two baptized. This indeed is the height of evangelism watching the Lord call His children home and at the same time rescuing the perishing.

We held a "Back To School Sunday" this week and gave away school supplies to all the back to school kids. We live in a low income area and every little bit helps these kids. Praise the Lord we stirred the baptism water again as well and had two more saved Sunday evening. This makes seven adults saved in the last ten days, normally children are reached in the midst of the numbers, but the fear of God's wrath is hitting home with an unusual number of deaths in the area.

Just coming on the scene here at the church, we haven't had much of a calendar, but we have enjoyed a week of camp at Triple S Christian Ranch, and a group just returned from a youth conference in Gatlinburg, Tenn., with a great report.

Thank you again for all you do for the cause of Christ, here at the church and in the many other areas God is using you. Our theme of the year is "Making a Difference" Jude 22, and we want you to know your help is making an eternal difference right in the midst of it all.

In His Sweet Service,  
  
Bro. Jim, Edna and Ben  
Jude 22
